MOUNTAIN PREPAREDNESS

KNOW BEFORE YOU GO

- SUN PROTECTION**
With every 3,000ft increase in altitude, UV levels rise by 10%. We recommend eye protection and Sunscreen. Broad Spectrum sunscreen products to ensure protection from UV rays.
- LIGHTNING/THUNDERSTORMS**
Lifts and activities may close without notice due to inclement weather. Seek shelter immediately when such weather is in the area. Lightning can strike from miles away.
- HIGH ALTITUDE ENVIRONMENT**
Take it easy at first - plan short trips until you are acclimated and drink plenty of water.
- ADEQUATE CLOTHING**
Be aware - mountain weather changes quickly. Bring a raincoat, wear closed-toe shoes and consider a sweater or fleece.
- HEALTH AND SAFETY**
Activities have height, weight and age requirements and may require guests to walk without assistance. If you are pregnant, or have any serious health issues, you should consult a physician prior to participating in any activity.
- MULTI-USE**
Be aware that trails and roads at Breckenridge Resort are used for many purposes during the summer. Mountain bikes, horses, motorized vehicles and construction equipment may be encountered at any time.
- WILDLIFE PREPAREDNESS**
Breckenridge Resort is part of the White River National Forest and you should be aware of the possibility of running into many types of wildlife. Please be cautious and don't feed, approach, take close pictures or harass animals.

EXPEDITION ZIPLINE TOUR

On the Expedition Zipline Tour, you and seven friends will cruise through the White River National Forest by zipline and suspended bridge, led by two experienced adventure guides. This one-of-a-kind experience will immerse you in the high alpine in an entirely new way. Watch below as marmots and pikas play in the scraggy rock fields and look up at the incredible mountains around you - this experience is truly an Epic Discovery. Plus, receive an Adventure Pass to use the next day after your tour!
